

AVIATION LOGISTICS BOARD

15 July 2004

Supply Chain Management **UID**

Action

- **Unique Identification (UID) added under this subgroup JACG VTC April '04.**
 - **Develop a UID Single Process Initiative SPI process for suppliers within DoD to follow**
 - **Identify Best of Breed Implementation Plans and Processes to minimize NRE and other cost to implement and comply**

Supply Chain Management **UID**

Status

Single Process Initiatives

- Investigate opportunities associated with defining a SPI for UID
 - Address gaps and ambiguities in UID Policy, MIL STD 130 and DFARS
 - Achieve consistency of marking across suppliers of common items
 - Minimize cost to implement/comply
 - Create a commercial practice/harmonize approach across commercial and defense; compatible with international partners
 - Eliminate confusion of interpretation
 - Apply a defined approach for SPI definitization and implementation

Strategies for Non-Recurring Engineering Changes

- Investigate and Identify Industry and Government best practices to minimize non-recurring engineering and UID implementation challenges and costs

Legacy Systems Implementation/Policy

- Develop Program, Service, and Corporate Roadmaps
- Identify implementation strategies, milestones and metrics for programs and services

UID SPI Timeline

ID	Task Name	Start	End	Duration	Jun2004					Jul2004					Aug2004					Sep2004					Oct2004					Nov2004				
					5/30	6/6	6/13	6/20	6/27	7/4	7/11	7/18	7/25	8/1	8/8	8/15	8/22	8/29	9/5	9/12	9/19	9/26	10/3	10/10	10/17	10/24	10/31	11/7	11/14	11/21				
1	Define Approach	6/10/2004	10/29/2004	20.40w																														
2	Socialize Approach	8/2/2004	9/10/2004	6w																														
3	Finalize Approach	10/1/2004	10/29/2004	4.20w																														
4	Present to JACG	7/28/2004	7/28/2004	0.20w																														
5	Populate Matrix	7/6/2004	8/16/2004	6w																														
6	VetMatrix	8/16/2004	10/15/2004	9w																														
7	Update Process and Approach Deliver Plan	9/1/2004	10/29/2004	8.60w																														
8	UIDSPI Plan	11/1/2004	11/1/2004	0.20w																														

Supply Chain Management **UID**

Proposed Future Focus Area's

- **Expand SPI to Additional Commodities/Sectors**
- **Develop Community of Practice for UID**

Implementation and Compliance

- **Develop UID-PBL Strategic Plan and
Implementation Guidance**
